This matter was opened to the New Jersey State Board of
Massage and Bodywork Therapy ("Board") upon review of Valerie
Millet's application for licensure. Upon consideration of the

application and the results of the Criminal History Background Check, it was ascertained by the Board that although the applicant had indicated she had no arrests or convictions in response to the relevant questions on the application, she had been charged in 2002 with forgery in connection with the issuance of bad checks. The charges were ultimately dismissed. The applicant claimed that she had answered "no" to the question about arrests because she was unsure as to whether she would be able to obtain documentation relating to the charges, and maintained that she was not attempting to be deceptive.

The Board finds that respondent knew or should have known that by failing to disclose the arrest on the application in response to the questions about arrests and/or convictions she was providing inaccurate information, and that she therefore engaged in misrepresentation on her application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within order are appropriate, and sufficiently protective of the public health, safety and welfare, and for other good cause shown;

IT IS ON THIS *4th* DAY OF *December*, 2014

HEREBY ORDERED AND AGREED THAT:

1. A \$100.00 civil penalty is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment

shall be in the form of a certified check or money order, and shall be submitted along with this signed order.

2. The applicant's application for licensure shall be granted upon payment of all applicable fees and demonstration of satisfaction of all requirements for licensure, if she has not already done so.
